CHECK OUT OUR WEBSITE

After a period of construction, our website, www.ocarc.org is accessible and full of information. Janice Klemz, who created our website and kept it up to date, has passed the job on to Kathie Nadolski. Thank you, Janice, for your contributions over the past years!

Kathie, a member of OCArc, is a systems consultant with Northwestern Mutual. For twelve years prior to getting her Masters in Information Systems Management, Kathie was a special education teacher. During her high school and college years, she was involved with the Ozaukee County Special Summer Recreation Program. She has a background well-tailored for our needs and we thank her for accepting the task of webmaster.

Check out the new website. If you have any information you would like to add, either on a permanent basis or to announce an upcoming event of interest to our members, email Kathie at knadolski@wi.rr.com.

PORT MAXWELL STREET DAY KNIFE SALE

Gerry Kultgen, chairman of the knife sale fund raiser reminds us that OCArc always sets up a table on a busy corner during Port's Maxwell Street Day. It will be held this coming Saturday, August 2. Gerry could use some help and asks that you call her for more information as to time and place, 262-284-5663.

The knife sale has been an ongoing fund raiser for many years. At last year's Maxwell Street Day, Gerry sold \$533 worth of knives. She turned \$200 over to the club and used the remainder to stock up on merchandise. Many of the buyers are return customers who like the knives they bought previously.

Thanks to Gerry for continuing with this project.

OCARC MINUTES

June 9, 2008

These minutes have not been approved. They will be reviewed at the August 4, 2008 meeting.

President Lou Skibicki called the meeting to order at 7:30 P.M., with 7 members present.

This was a short business meeting held after the annual OCARC banquet.

We had received a grant request for the 3rd quarter from Craig Modahl of Balance, Inc. He requested \$3,000.00 for the Ozaukee Special Summer Recreation Program for children with developmental disabilities. This program is now being managed by Balance, Inc. After discussion the motion was made by Howard Mulloy to approve the expenditure, seconded by Marge Kreienbrink and approved by all.

As we did not have any grant requests for the 2nd quarter, Laurie Williams made a motion to move the Balance, Inc request for funds to the 2nd quarter, and leave our 3rd quarter open. This was seconded by Karen Nadolski, and approved by all.

At a previous meeting in the spring, there were other grant requests, and these will be reviewed at our August meeting.

Our next meeting will be held the 1st Monday in August, and we will be discussing our meeting agenda for the future. Please plan on attending and giving your opinions and suggestions as we value them all.

The meeting was adjourned at 7:35 P.M. by President Skibicki

Respectfully submitted,
Laurie Williams
Secretary
